Thank you. I've attached a draft from our call on Friday. Unfortunately, I'm leaving now for a meeting all the rest of the afternoon at CDPHE for another site. So, it's rough. I don't know. Let me know what you think...and please edit as you see fit... Sorry, I've just run out of time today...

I delivered the federal register announcement and the responsiveness summary to the library. I placed it in the green folder. AE was there on a meeting with Kiewit. She introduced me to the group. In all, I spent about 10 minutes at the library.
